Welcome to Stinger Basketball

Since the amalgamation of the Sir George Williams and Loyola athletic departments in 1975, the Stingers' basketball programmes have distinguished themselves both on and off the court. The two teams have produced national team members and numerous All-Canadians, and have participated in 13 national championships, highlighted by the men's championship victory in 1990. The list of former Stinger players includes doctors, teachers, coaches, and business leaders who continued to apply the same dedication to their everyday lives.

The recent accomplishments of the men's programme including the 1990 National Championship and four consecutive league titles is well known. The women have also enjoyed their share of success in the past.

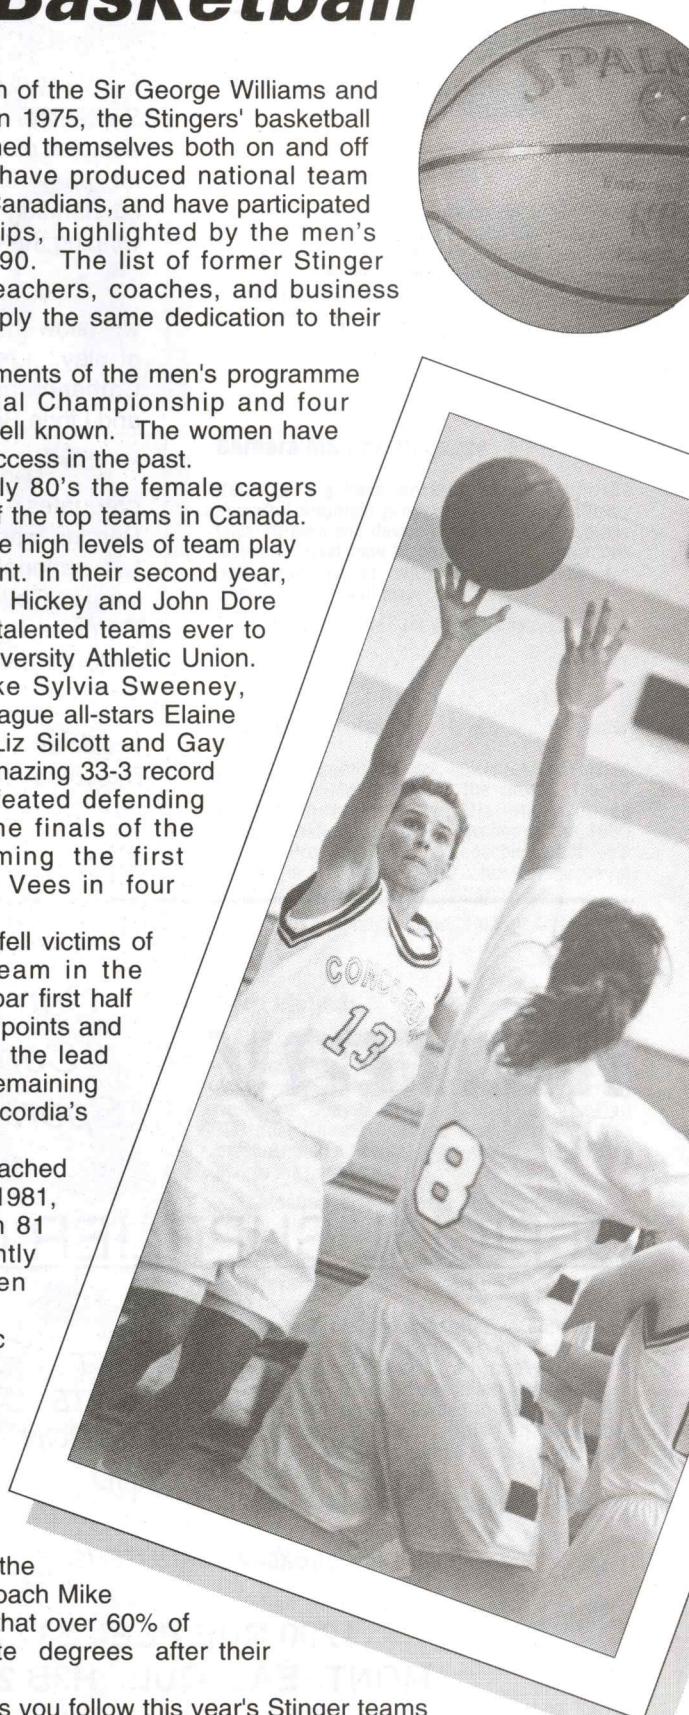

In the 1970's and early 80's the female cagers earned a reputation as one of the top teams in Canada. In 1976-77 they reached some high levels of team play and individual accomplishment. In their second year, women's team coaches Mike Hickey and John Dore assembled one of the most talented teams ever to play in the Canadian Interuniversity Athletic Union. National team members like Sylvia Sweeney, Debbie Huband along with league all-stars Elaine Betchinski, Paddie Chiara, Liz Silcott and Gay Owens led the team to an amazing 33-3 record (12-0 in league). They defeated defending champion Laurentian in the finals of the Concordia Classic becoming the first Canadian team to beat the Vees in four years.

However, the Stingers fell victims of a determined Winnipeg team in the National semi-finals. A sub-par first half found Winnipeg ahead by 10 points and although Concordia reduced the lead to 2 points with 3 minutes remaining Winnipeg held on to end Concordia's championship dreams.

The women Stingers reached the national championship in 1981, 83 and 85, finishing third in 81 and 83, and were consistently ranked in the CIAU Top Ten poll.

Knowing that athletic talent is not enough at this level of competition, the aim of the program is the overall development of the student athlete. Pursuit of excellence is expected not only on the basketball court, but also in the classroom. Women's head coach Mike Hickey points out with pride that over 60% of players have earned graduate degrees after their playing days were over.

We are confident that as you follow this year's Stinger teams you will see "the best B-ball in the city..."

1992/93

WOMEN *stingers*

When the women's basketball team opened training camp this September there was a new air of optimism - and with good reason. After being shut out of the league playoffs for the last seven years the Stingers are primed for "prime time". With the development of the eight returning veterans and an outstanding freshman class, Concordia will again field a team that is capable of winning the Quebec title and a CIAU top 10 ranking.

A rigorous off-season training programme designed by Scott Livingston will allow the Stingers to effectively employ a fast break-pressure defense-style of play. League all-stars Tanya Guitman and Sharon Sandy will be joined by Catherine and Caroline Gagnon, Julie Kinsella, Christine De Jordy, Lori Lozo and Linda Benjamin to provide experience and leadership.

The impressive rookie crop is led by a trio of CEGEP Ahuntsic graduates. Pat Demers, a 1992 Quebec Foundation Bursary winner, Isabelle Bernier and Barbara Malette-Requesa played key roles in leading Ahuntsic to two national college championship titles. Terri Viglione, a 5'10 forward from Vanier College, Janice Marshall, a 6'1 center from Cornwall, Ontario and Caroline Jones, a guard from Dawson College are other freshman who will make strong contributions.

The Women Stingers open their home season with the **Nike Classic** November 13th to 15th. Their first home league game is scheduled for Tuesday, December 1st against their cross-town rivals, the McGill Martlets.

The Stingers have left the OUAA East, which they dominated winning the last four league championships, to become members of the Quebec Student Sports Federation along with Bishop's, McGill and Laval. However, their goal remains the same, to win the league championship and return to Halifax for the National Championships.

The Stingers return eight veterans including four starters led by All-Canadian Dexter John, fellow league all-stars Robert Ferguson, Emerson Thomas and starting point guard Raphael Tyrrell. COACHES

MIKE HICKEY - HEAD COACH (WOMEN)

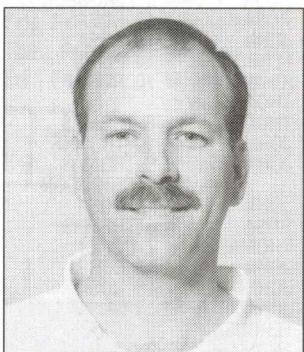

Mike returned to the Stinger coaching staff in 1991 and quickly began to build the Stingers into a playoff contender. Although the Stingers managed only 2 wins in league play last year, the level of play was greatly improved. With the development of the eight returning veterans and the recruitment of seven solid players from the CEGEP and high school ranks coach Hickey feels the team will once again be vying for the league championship. He began his university coaching career when he took over the reins of the Sir George Williams Georgians in 1973, directing them to a 56-18 record including back-to-back trips to the Nationals in a two-year stint. With the merger of Loyola and Sir George in the spring of 1975, Mike assumed the role of women's coach of Concordia. Coach Hickey has been named on three separate occasions as Quebec University Athletic Association "Coach of the Year". In 1985 he was appointed assistant coach of the National Women's team, under head coach Wayne Hussey, a position he held until 1988. Mike played one year of NCAA ball at St. Michael's College (Vermont) where he obtained a B.A. degree in 1971. He was Q.U.A.A. All-Star while taking graduate studies at Sir George in the early 1970's.

SANDRA MULLINS - ASSISTANT COACH (WOMEN)

Sandra enters her second year in the coaching ranks after an illustrious playing career. She began her basketball career with the Brookwood Basketball Organization in 1976 and was a member of 8 league championship teams. From there she moved to John Abbott College where she helped quarterback the Islanders to a national title in 1987.

Sandra then spent four years at Bishop's University where she was named to the league all-star team twice and appeared in two national championships. She was also a member of the Quebec Provincial team in 1987 and the Canada Francophone Games Team in 1989.

Sandra has quickly proven to be a major asset and is a key person in the team's recent development.

JOHN DORE - HEAD COACH (MEN)

The honours continued to pour in for head coach John Dore last year as he was selected Coach of the Year in the Q.U.A.A. East Division. John who directed the Stingers to a CIAU National title in his first year as head coach in 1990, was named the "CIAU National Coach of the Year" in 1991 in a vote by his coaching peers. Under Dore's tutelage the Stingers continue to impress hoop fans with their aggressive, disciplined style of basketball.

The Stingers, under coach Dore's direction, made basketball history in 1990 when the first-year coach guided Concordia to a National Championship, a first for Quebec mens teams.

John came to Montreal in 1971, and played four years on the Loyola and then Concordia basketball teams. He was voted to the league all-star team three times and represented the school in three national championships.

Upon graduation, John accepted a position as department head of physical education and athletics at St. George's High School and served as assistant basketball coach of the Concordia women's team. His coaching career then took him to Vanier College where he compiled a 35-25 record and two playoff appearances in a two years. He returned to his alma mater in 1982 to become Doug Daigneault's number one assistant. He remained in that capacity until June 1990 when he was selected to replace Doug Daigneault. And, the rest is history.

A native of Queen's, New York, John has been involved with the Sun Youth "Youth-East" team for three years and also coached the Quebec Junior Elite squad.. During the summer months John is the coordinator of the Fast Break Basketball Camp.

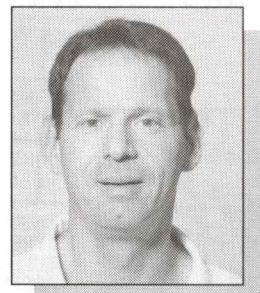

HARVEY LIVERMAN - ASSISTANT COACH (MEN)

Coach Dore is quick to credit assistant coach Harvey Liverman for his major contribution to the Concordia cage success over the years.

Harvey provides the same dedication, enthusiasm and expertise to the Concordia basketball staff that he displayed as a player for the Loyola Warriors from 1968-72. Although surrounded by more talented and experienced Americans, Harvey's knowledge of the game and his work ethic made him a valuable member of the Loyola team that won an unprecedented 66 straight league victories. As John Dore's assistant, Harvey has contributed in several ways to the recent success of the Stingers.

A fine all-round athlete, Harvey excelled in basketball and baseball. While on route to three MVP seasons with the Northmount High School "hoopsters", Harvey averaged 33 points a game. As a slick-fielding third baseman with the St. Henri Juniors, he was scouted by the Philadelphia Phillies.

Harvey was instrumental in the Canadian team's bronze medal performance in the 1989 Maccabi Games as an assistant coach and is director of the highly successful Wingate Sports Camp at Pripstein's.
